Depositions In A Nutshell Introduction

Depositions in a Nutshell

This resource helps refine and improve deposition skills, such as obtaining answers to critical questions; finding out everything deponents know about topics and events; undercutting harmful testimony that emerges at deposition; obtaining information from deponents who claim not to understand questions or who interpret questions in a hypertechnical way; exploiting deponents' conflicting statements; dealing with opposing counsel's objections; undermining adverse experts' opinions; and preparing for deposition. The book also contains chapters on taking special depositions, including those of an adverse expert, a Rule 30 (b) (6) deponent, and a deposition to preserve the testimony of your own witness for trial.

Pretrial Litigation in a Nutshell

This Nutshell focuses on the Federal Rules of Civil Procedure, covering changes that resulted from major amendments to the Federal Rules of Civil Procedure and Federal Rules of Evidence that became effective on December 1, 2000. Since state counterparts to these federal rules have been adopted in a majority of jurisdictions, the pretrial skills considered in this text are essential in both state and federal practice. Coverage includes client interviewing, attorney-client relationship, pretrial planning and investigation, the complaint, responses, discovery, interrogatories, depositions, production requests, examination, and admissions. Also explores judicial intervention into the discovery process, pretrial motion practice, and judgments.

Nolo's Deposition Handbook

Take the fear and mystery out of your deposition Nolo's Deposition Handbook is a must-read for anyone taking, defending, or facing a deposition. You'll find all the information and instructions you need, whether or not a lawyer is representing you. Packed with concrete suggestions and examples, this book explains how to arrange a convenient date, prepare for the deposition, and respond to questions with confidence. Best of all, you'll learn the three "golden rules" for answering questions, and the trick questions lawyers often use to influence testimony. Nolo's Deposition Handbook is an excellent resource for: eyewitnesses expert witnesses parties to a lawsuit people who represent themselves in court lawyers, law students, and legal assistants, and anyone participating in a deposition conducted over the Internet. The 8th edition is updated to include information on electronic discovery and the latest statutes, court cases, and federal rules, and provides information on how to set up and conduct a deposition remotely, using a computer.

Effective Deposition

"[This book] explains new discovery rules in evidence and civil procedure, and discusses the impact of continuing technological developments, including e-discovery and digital transcription, on your practice. This edition cites to the Federal Rules of Civil Procedure, as amended to December 2017. Depositions remain a critical element of your practice, regardless of whether you face trial or alternative dispute

resolution. With the increasing trend toward non-trial resolutions, depositions are being used more and more in motions, negotiated settlements, mediations, arbitrations, and dismissals.\"--

The Effective Deposition

If you're going to trial without an attorney, this is the essential guide for making the most of your day in court. Represent Yourself in Court breaks the trial process down into easy-to-understand steps, so that you can act as your own lawyer. The new edition includes information and tips on participating in a court hearing via Zoom.

Represent Yourself in Court

Criminal Law

Depositions are playing a more critical role in the litigation process. Make sure you have considered various tactics, strategies and potential problems when going into your next deposition. Tap into the vast experience of expert litigators with the Deposition Handbook, Fifth Edition, and gain valuable insights and skills including: Practical advice covering every stage of a deposition Techniques for eliciting information and effective questioning Video deposition guidelines Proven strategies, procedures, and case studies Rules governing conduct Sample questions And much more The Deposition Handbook delivers on being a truly user-friendly and concise guide offering expert advice on the strategies, tactics, and mechanics needed to handle depositions successfully. Get specific examples and scenarios covering: Whether counsel may

interview an adverse party's current or former employees (§ 2.04) Private conferences between the deponent and counsel during the course of the deposition (§ 11.02) The pros and cons of \"the usual stipulations\" (§ 10.05) Questioning techniques including: Jumping from the specific to the general (§ 9.07) Posing the either-answer question (§ 9.08) Written from a litigator's perspective, it delivers insights into how to make sure the witness becomes a champion for your side of the case. Find out how to effectively prepare the witness to testify most effectively and what factors to consider in deciding whether to prepare the witness to do more than just answer the question. It is a must-read for every young trial attorney or a great refresher to even the most experienced litigator. Add the Deposition Handbook to your bookshelf today!

Evidence in a Nutshell

Federal rules of evidence are the anchor of this single-volume Nutshell. The text summarizes significant U.S. Supreme Court decisions, additional leading cases, and principal schools of evidentiary thought. Expert coverage includes practical implementation of the rules at trial or their connection to pre-trial or post-trial proceedings. Areas of interdisciplinary cross-pollination are noted as well.

Evidence in a Nutshell

Depositions Answer Book provides guidance on all stages of the deposition process and is a valuable resource for both the novice and the expert litigator.

The Deposition Handbook

In its Sixth Edition, Deposition Rules remains the essential deposition handbook for busy practitioners: a ready and convenient, on-the-go reference, it provides quick access to the rules, procedures, and practices that govern deposition practice, and it answers the most commonly asked questions about depositions. Deposition Rules also provides \"Practice Tips,\" which are drawn from the actual conduct of counsel in depositions, because modern deposition practice has evolved at least as much from \"what works\" as it has from \"what is required.\" This Sixth Edition incorporates all amendments current to December 2014 to the Federal Rules of Civil Procedure as well as the Federal Rules of Evidence

Evidence in a Nutshell

This practical handbook explains when, why and how to use particular strategies, tactics, organizational approaches, methods, and techniques in taking and defending depositions. Packed with 'trade secrets' that one-up the opposition, Deposition Practice Handbook shows you: How to pin down and 'freeze' witnesses' testimony with an early deposition so they can't change their story later How to make a deposition a lot more effective by getting an interrogatory answered first Twelve proven ways to discredit a witness How not to open Pandora's box when questioning a third-party witness How to avoid the trap of allowing your opponent to set the deposition times And, most important of all: How to turn talk into evidence that's admissible in court What's more, Martiniak provides checklists, outlines, reminders, and dozens of practice tips.

Procedure Before Trial in a Nutshell

This book collects a great deal of advice about what to do and not to do at a deposition. It prepares the witness for many of the common occurrences at a deposition. The book's scope goes well beyond the two basic rules that every witness should know: tell the truth, but volunteer nothing. It covers many other topics such as identifying and dealing with confusing questions, abusive conduct, and interruptions. Also discussed is the little known but widely used tactic of trial lawyers to use the foibles of your memory against you. What you think you know, but don't, can hurt you. The book explains your counter-tactic: talk less. Many examples and a self-test are given to illustrate the concepts. Though comprehensive, the booklet is also compact. Most

can read through it in less than an hour. This book is designed for lay witnesses in any type of civil lawsuit. Young attorneys should benefit from it too. They can quickly learn lessons which experience will slowly teach them.

Depositions Answer Book

Nolo's Deposition Handbook is a must-read for anyone taking, defending or facing a deposition. You'll find all the information, tips and instructions you need, whether or not a lawyer is representing you. Packed with concrete suggestions and examples, this book explains how to arrange a convenient date, prepare for the deposition and respond to questions with confidence. Best of all, you'll learn the three "golden rules" for answering questions, and the trick questions lawyers often use to influence testimony. "For a fraction of a lawyer's fee, let Nolo publications guide you through the legal labyrinth." Minneapolis Star-Tribune "Legal self-help books from Nolo are the best available." Dallas Morning News "Nolo is a pioneer in both consumer and business self-help books and software." Los Angeles Times

Deposition Rules

Rules of civil procedure govern everything that happens outside of criminal proceedings. This Nutshell provides a road map to navigating civil procedure rules and helps build a foundation for understanding the overall picture. Topics discussed include how to choose the proper court, pretrial and trial preparation, adjudication, judgments, appeals, and specialized multi-party/multi-claim proceedings.

Deposition Practice Handbook

The Nutshell, revised to reflect amendments to the Federal Rules of Evidence, including restyling effective December 1, 2011, contains a crisp, clear, concise, and complete explanation of each Federal Rule of Evidence designed to prepare every student for the course final and the multistate bar examination. The United States Supreme Court's interpretation of the Confrontation Clause in Crawford/Davis and progeny is thoroughly analyzed as well. With respect to the definition of hearsay, the not hearsay definition, the most commonly encountered hearsay exceptions, expert witnesses, and character evidence even more exhaustive treatment is provided. Concrete illustrations are presented throughout.

Advanced Deposition Techniques, 2010

Nutshells, revision guides to various areas of law, explain basic principles and highlight key cases and statutes. This volume on the law of evidence covers areas such as the burden and standard of proof, the examination of witnesses, and civil exceptions to the hearsay rule.

Advanced Deposition Techniques, 2011

A full-text reporter of decisions rendered by federal and state courts throughout the United States on federal and state labor problems, with case table and topical index.

How to Answer Questions at Your Deposition

"Trials have long been the most important phase of a lawsuit. No more. Trials are now rare. Now, outcomes are decided in depositions. This is where most evidence surfaces and is shaped. This is where you will win or lose your case--and where you must concentrate your efforts to find and gain every conceivable advantage. Jim Garrity, a practicing trial lawyer, has appeared as counsel in more than 2,000 federal and state lawsuits. This book compiles 33 tactics that made a difference in more than 10,000 career depositions"--Back cover

Advanced Deposition Techniques, 2012

Getting deposed? Conducting a deposition? Here's the book you need to take the mystery out of the deposition process and answer questions with confidence. You'll even learn the three \"golden rules\" for answering questions and the trick questions lawyers often use to influence testimony. A perfect book for law students, lawyers, legal assistants, witnesses, expert witnesses, and anyone who wants to represent themselves in court, Nolo's Deposition Handbook provides all the information you need to sail through the deposition process with confidence. This edition contains updated statutes, cases, and rules -- plus, new material on \"electronic discovery\" which applies to information stored in computers, including records and emails.
